EiR Signature: 

EiR mentor's recommendation for future steps:

(to be filled-in by mentor) – continue writing/typing on the back, if needed

- document as much as we can
- write out directions and things for CFD and DPM
- ask him to look over circuit boards before getting them shipped
- look at pressure for venturi tube
- push to get those cameras!
- always have a second pair of eyes look at projects

Tell us what you think about the meeting:

(to be filled-in by the team after the meeting)

- he was very helpful all semester
- gave us some confidence for the future
- offered to help us in the future if we want

***EiR Mentor to fill-in the form and email back to the Team.
Team will be uploading this form to Canvas by the specified date.***
